

Using the handsets

- A. Check handset is turned on — green light on?
- B. Turn it over and read the 3 digit ID number
- C. Point at a receiver (small box with red light on)
 - * Can press H(igh) or L(ow confidence) first
- D. Press the number of your choice
 - see your ID come up on the screen
 - * If your ID doesn't come up, wait a few seconds then try again.
 - * Can change your vote, but don't keep sending unnecessarily as you will obstruct others' votes.
